

Arctic Tranquillity and Serenity

If you are one of those who don't enjoy chasing activities all day long when out travelling – you may still take pleasure in our three day basics gourmet concept focusing on tranquillity and serenity. For instance, you can use two hours or more on breakfast. Likewise, you can use the area and its facilities to just relax and watch the days and nights go by. Even harsh weather can be experienced close up from inside the pavilion or the boat house. The location itself is free from light pollution and thereby a perfect spot to experience the northern lights - and the sounds you hear are the sounds of the nature itself.

The stay includes the following:

- Full board (breakfast, lunch and dinner)
- Dinner service consisting of a 3 course dinner the day of arrival and 7 course dinner the next evening. We can arrange for a light supper option, some Norwegian cheese and cold meat instead of the 3 course dinner if late arrival.
- Exploring the islands nature and its diversify fauna
- Five twin-sharing/double bedrooms and three bathrooms in the main house
- Access to hot tub (sauna under construction)
- Use of gazebo/pavilion with a direct view of the Lofoten archipelago (no light pollution)
- Access to conference facilities
- All transport to/from Grøtøy and the mainland (Nordskot) as well as our cooperation partners by boat

Not included in the price:

- Flights to from Bodø airport or any other airport in the vicinity
- Private taxis or transportation
- Transport between Bodø and Nordskot and return
- Alcoholic beverages at Villa Haugen bar (duty free/bring your own is not permitted)
